

Medicare Part D: How to Change Plans

Medicare Open Enrollment for

Part D plans: October 15, 2016 to December 7, 2016:

If you are on a Medicare Savings Plan (MSP) you may be allowed to change Part D plans outside of the enrollment period

How to Obtain a Part D Plan:

- Call 1-800-633-4227
- Stay on the line for English, Press #2 to speak in Spanish
- Put in Medicare number
- Put in date of birth, Say “drug coverage”
- It will say what drug plan you currently have
- Say you need to “speak to an agent”
- They will read a disclaimer about part D plans
- You give them the list of prescriptions, mg & number you take in a day
- You can ask them to give you the 3 top choices of plans
- After you choose the best plan it is helpful for you to write down the coverage company and the confirmation code for your records and for future reference

You will need...

- First and Last name of the client
- Client address
- Client phone number
- Client Medicare number
- Client list of prescription drugs, mg & how many are taken every day
