

Overview

What is the Colorado Medicaid Vision Services Benefit?

Vision services covered by Colorado Medicaid differ between children and adults. If you are enrolled in a managed health care plan, you may have additional benefits not listed below.

Who is eligible?

- Children (age 20 and under): The Early Periodic Screening Diagnosis and Treatment (EPSDT) Program provides vision benefits such as standard eyeglasses, replacement or repair of frames or lenses, contact lenses (must be medically necessary and prior authorized unless provided for vision correction after surgery), Ocular prosthetics (when prior authorized), and eye exams.
- Adults (age 21 and older): Medically necessary eye examinations, eyeglasses and contact lenses ONLY following eye surgery (do not require prior authorization, and surgery may have been performed at any time during the patient's life).
