

## Treatment Programs – Local

### **Center for Recovery**

303-694-7492

2121 S. Oneida St. #412, Denver, CO 80224

[www.centerforrecovery.net](http://www.centerforrecovery.net)

- Offers substance abuse intensive outpatient treatment programs for teens 15+ years old
- Our treatment program focuses on self-esteem, peer issues, relationship issues, family issues, and mental health issues, in addition to drug/alcohol issues. Program is unique because they believe that self-esteem, self-confidence, and core issues must be addressed in order for teenagers to maintain abstinence from drugs and alcohol.
- Contact for more information about the treatment program

The following is a list of resources that is grouped into the following categories:
