

## Health First Colorado (Medicaid)

### Dental Benefits Overview

#### **Medicaid Coverage: Adults**

The new dental benefit provides Medicaid members up to \$1,000 in dental services per state fiscal year which runs from July 1-June 30. Adult dental benefit is available to all adults (age 21 and over) and covers:

- Basic preventative dental exams
- Diagnostic and minor restorative dental services (such as x-rays and fillings)
- Extractions (tooth pulling)
- Root Canals
- Crowns
- Partial Dentures\*
- Complete Dentures\*
- Periodontal Scaling
- Root planing
- Other procedures requiring prior authorization will also be available.

\*Partial and complete dentures are not subject to the \$1,000 cap per state fiscal year.

#### **Medicaid Coverage: Children**

Children ages 20 and under who are enrolled in Medicaid are entitled to the following:

- Preventative services including:
  - Exams
  - Cleanings
  - X-rays
  - Sealants
  - Space maintainers
  - Fluoride treatments.
- Restorative procedures such as amalgam and tooth colored fillings, crowns, root canals, gum and oral surgery procedures. On certain procedures, the dentist must receive approval from Medicaid before providing these services.
- Orthodontic benefits (braces) may be available in the case of a child with a severe bite problem.
- There are no additional costs to the client for dental services.

**Health First Colorado (Medicaid) may not cover the full cost of your dental care.** *If Medicaid does not cover the cost of your care, contact Navigation for additional dental resources.*
