

Our mission:

To inspire hope, improve lives and strengthen our community by providing mental health and related solutions for individuals and families.

Our values:

People First • Empathy with excellence • Collaborate to make life better
Community minded • Anticipate and evolve • Dignity for all

Jefferson Center is a nonprofit, community-focused mental health care and substance use services provider. We offer hope and support to individuals and families who are struggling with mental health issues and substance use disorders. *Serving our community is at the core of everything we do.*

Serving Jefferson, Gilpin and Clear Creek Counties for over **60 years**, Jefferson Center is an integral part of the communities it serves, understands the needs of communities and has an extensive network of community partnerships and collaborations. Jefferson Center has a variety of programs for people of all ages, from all walks of life.

“In the mental health world, people are so beaten down— it’s so nice to see positivity and friendly people who walk the walk.”

- **Making access to care easily available and customer focused is a top priority** at Jefferson Center and we believe in serving clients at the point of care where the client is most comfortable. We provide services at multiple clinical offices and in many community settings such nursing homes, community centers and foster homes.
- **Jefferson Center has School-based counselors in 46 elementary, middle and high schools throughout our community.** Bringing school-based services right into the schools is clearly the most effective way to reach the greatest number of students and families. In the schools, we can provide a safe place that reduces stigma and give students the help they need, as clinicians are right there on-site.
- **Jefferson Center is co-located in 32 primary care and pediatric medical offices.** Research indicates that better integration of behavioral health and physical healthcare increases access to care and results in better health outcomes while reducing overall healthcare cost.
- **Our 650 employees are the BEST.** Jefferson Center is proud to be a Denver Post **Top Workplace Seven years in a row!**

“Jefferson Center is a very compassionate organization. I promise you, that you will get your needs met through their excellent team of caring providers, and if they cannot help you, they will definitely make sure you get the support you need.”
