Oxford House

<http://www.oxfordhouse.org/>

- Drug and alcohol recovery house. Have male and female facilities. Individually ran by the residents. Decisions concerning occupancy are made as a group. Participants must be working and cooperate with house rules such as being clean, sober, and sharing chores.
- A recovering individual can live in an Oxford House for as long as he or she does not drink alcohol, does not use drugs, and pays an equal share of the house expenses. The average stay is about a year, but many residents stay three, four, or more years.
 - A recovering individual must complete a standard "Application for Membership" and be interviewed by the residents of the house he or she want to live in
- Contact each individual facility, or visit the website online, to determine availability:

Shadow Mountain Recovery

800-764-7250 or 303-420-9430

8200 E. Bellevue Ave., Suite 400E, Greenwood Village, CO 80111 – office location

<http://denver.shadowmountainrecovery.com/>

- Shadow Mountain Recovery is known for beautiful, gender specific, therapeutic sober homes. Each sober home is located in a well-maintained and established neighborhood around each of our Colorado treatment centers. Sober living is an important resource for early recovery.
- Shadow Mountain Recovery homes offer spacious living quarters, quality furnishings and consistent staffing for a very comfortable and stable sober-living environment. The gender specific residence is a great resource for men and women, researching Denver sober living options (in particular), since there are limited and varied resources available in this area.
- The Shadow Mountain Recovery programs work with many insurance carriers as an out-of-network provider (Aetna, BlueCross Blue Shield, Cigna, United Behavioral Health, Magellan Health Services, First Health, Value Options, MH Net, Behavioral Health, Select Health).
 - They accept many carriers not listed above. Call to verify insurance.
