## **Colorado School for the Deaf and Blind**

719-578-2100

[www.csdb.org](http://www.csdb.org)

- State-funded school within the Colorado Department of Education. The school was established for the purpose of providing comprehensive educational services for children, birth to age 21, who are blind/low vision and/or deaf/hard of hearing. Services are provided directly to students enrolled at the school, and outreach programs serve students, staff, and families in communities throughout Colorado.
- *The Transition Program* provides outreach services, community-based services, and residential services. Involvement in the Transition Program may include classes on the CSDB campus or at the local community college, employment, and/or on-the-job training in the Transition students' home districts. In addition, some students attend 4-year colleges throughout the country.

## **Mental Health Services**
