[Child Health Plan Plus \(CHP+\)](#) is public low-cost health insurance for certain children and pregnant women. It is for people who earn too much to qualify for [Health First Colorado](#) (Colorado's Medicaid program), but not enough to pay for private health insurance. DentaQuest provides dental benefits to all eligible and enrolled CHP+ children and pregnant women.

Who is eligible?

- Children age 18 and under and pregnant women who are enrolled in CHP+
- Applicants with household income at or below 260% of the Federal Poverty Level (FPL)
- Colorado Residents
- Lawfully residing children and pregnant women
- Applicants not eligible for Health First Colorado
- Applicants who do not have other insurance

What services are available?

- Diagnostic services such as annual exams and x-rays
- Preventive services such as annual cleaning, fluoride, and sealants
- Basic restorative services such as fillings and stainless steel crowns
- Oral surgery services including some extractions
- Endodontic services such as root canals

CHP+ members may receive up to \$1,000 of covered dental benefits each calendar year (benefit period) for the covered services listed above.

Where are services available?

CHP+ dental services are available exclusively through CHP+ DentaQuest participating providers throughout Colorado. If you are searching for a CHP+ DentaQuest dental provider log in to memberaccess.dentaquest.com.

If you have any questions about CHP+ DentaQuest providers, call DentaQuest at 1-888-307-6561, TTY: 711 or email through the member portal at memberaccess.dentaquest.com.

What does it cost?

As with all CHP+ benefits, higher income families may be required to pay a small fee or co-payment when they receive services. CHP+ Prenatal women will not be charged co-payments for dental services. There are no fees for diagnostics and preventive services. If you have any questions about CHP+ dental benefits call DentaQuest at 1-888-307-6561, TTY: 711.

How does an individual or family apply?

The CHP+ Dental Care benefit is available to all children and pregnant women enrolled in the CHP+ program. To apply for CHP+ you need to complete an application and provide some documentation so we can see if you and your children qualify. Applications are available on the [PEAK website](#) and at [county departments of human/social services](#).
