Testing

Brain Balance

800-877-5500

<http://www.brainbalancecenters.com/>

- The Brain Balance Program uses tailored activities, exercises, and nutrition to stimulate new and stronger information pathways in the brain, which helps improve focus, attention, memory, social skills, and cognition. The program is a non-medical solution designed to help improve connections in the brain in a way that helps alleviate the symptoms children experience.
- Serves children and adolescents with ADHD, Autism Spectrum Disorder, ODD, learning disorders, processing, and sensory disorders
