

Substance Use Treatment - Adults Navigation Services

Need more information? Contact our Navigation Services Team at 303-432-5130 or navigation@jcmh.org

If you notice any changes or inconsistencies with our resources, please inform Navigation to help us stay current.

Outpatient and Intensive Outpatient Programs

Outpatient and Intensive Outpatient programs for substance use provide group and individual counseling for substance use recovery in an outpatient setting, meaning you will be able to work and go home each day. Outpatient programs are usually one day per week; IOP programs are usually 3-5 days/week for 2-5 hours per session.

Aspen Ridge Recovery
